Math		Play 14 - 24 Use 1 game mat per person. Play 5 times and see who wins the most games.	Writing numbers from 1- 120... Fill in the page. .	Play 14 - 24 Use 1 game mat per person. Play 5 times and see who wins the most games.	Rolling Numbers Game... The directions say to roll colored dice- any dice will do for this game. .

Don't have books at home? Listen to a story on You Tube, Youtubekids.com, or storylineonline.net. Some great sets of books could be Clifford by Norman Bridwell, The Mouse Books By Laura Numeri, All Of Jan Brett Books, Pete The Cat by James Dean, The Black Lagoon Books by Mike Thaler, Books By Robert Mensch and Eric Carl are some great authors that you might like your kids to listen to.

My Writing Topics:

Pick a topic to write about and color in the rectangle:

Narrative:

Tell me about your favorite dessert and why you like to eat it.

Opinion:

Would you rather eat junk food or healthy food?

Expository:

Tell me how you think you would make your favorite dessert.

Topic Sentence:

Draw a picture for your three supporting reasons.

Draw A Picture:

Pick 1 topic and write 4 sentences about that topic. Please make sure that you have a topic sentence and 3 supporting sentences. Use finger spaces, nice penmanship, capitals and periods.

Kelli C @ Teachers Pay Teachers

Self Check: Color in each box if you have these in your writing.

I used capital letters.

I used finger spaces.

I have nice writing.

I used punctuation.

MY WEEKLY READING LOG:

On Monday I read: (write the title):

Write a sentence about the story:

On Tuesday I read: (write the title):

Write a sentence about the story:

On Wednesday I read: (write the title):

Write a sentence about the story:

On Thursday I read: (write the title):

Write a sentence about the story:

On Friday I read: (write the title):

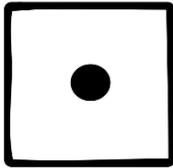

Write a sentence about the story:

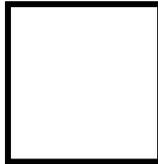

Playing 1 - 4 - 24

To play 1 - 4 - 24 you need to have 6 dice. You will roll the dice 4 times. You need to keep a 1 and a 4 in order to continue in the game. On each roll, you need to keep at least 1 die. You will want to keep the die with the highest number. At the end of the 4 rolls, add up your numbers. Then your friend will go. Whoever has the highest sum at the end wins.

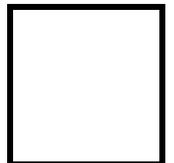

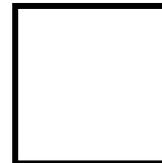

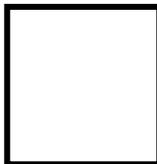

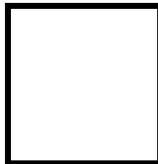

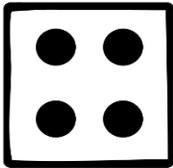

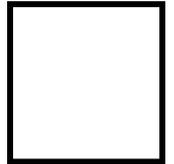

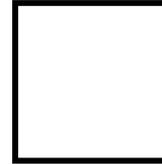

I rolled:

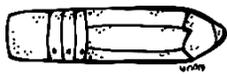

My sum is:

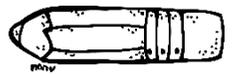

My friends sums were:

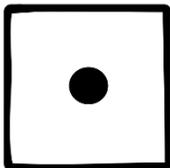

The person with the highest sum is the winner.

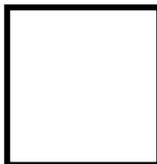

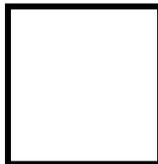

Playing 1 - 4 - 24

To play 1 - 4 - 24 you need to have 6 dice. You will roll the dice 4 times. You need to keep a 1 and a 4 in order to continue in the game. On each roll, you need to keep at least 1 die.
