

Dear Parents and Guardians,

Kindergarten is a huge milestone in your child's life (and yours)! Whether your child has been at home, attending preschool, or at daycare, it can be a big transition. Below you will find a bingo board with some skills we cover throughout the beginning of the school year that you can start practicing to help prepare your child for this huge endeavor! Thank you so much for your time and support. Have a great summer and we cannot wait to see you in September!

*The M&L Kindergarten Team*
